C.R.E ASSIGNMENT FOR GRADE 4 TERM 1 2020

BIBLE PARTRIACHS

Patriarchs are forefathers of the nations of Israel

The call of Abraham

Genesis 12:1-5 tells us how God called Abraham. At that time, Abraham's name was Abram. Abram lived in Haran with his family and relatives. God instructed him to leave his home and the land of his ancestor. God told him to go to a land a land that He would show him.

God made the following promises to Abraham:

- He would give him many descendants
- His descendants would become a great nation
- He would bless Abraham and make his name famous
- He would bless those who blessed Abraham
- He would curse those who cursed Abraham
- He would bless all nations through Abraham

Abram obeyed God's instructions and left his country. He took his wife Sarai, his nephew Lot, his slaves and all his wealth and left for the land of Canaan. Abram was 75 years old
